SUMMER PLACEMENT REPORT

BATCH OF 2023 - 2025

OVERVIEW

The Sydenham Institute of Management Studies, Research, and Entrepreneurship Education (SIMSREE) is pleased to announce a highly successful summer placement season for the 2023-2025 batch, surpassing the high standards set over the past four decades. The summer internship program, a cornerstone of our B-School curriculum, provides invaluable exposure to real-world business practices, fostering a comprehensive understanding of the corporate environment for our management students.

During this placement season, our first-year students secured a wide range of opportunities with leading multinational corporations and top Indian business houses. Despite the hybrid nature of internships, conducted both online and offline, SIMSREE's placement performance significantly surpassed that of the previous year. Renowned companies from various sectors including BFSI, Advertising, FMCG, Consulting, Pharma, IT, and more offered internships to the class of 2023-25.

This remarkable achievement reflects the unwavering dedication of SIMSREE's faculty. Their industry expertise and ability to impart insightful knowledge prepare students to excel in the competitive business world. It further underscores the institute's exceptional talent pool and its unwavering commitment to academic excellence.

DIRECTOR'S NOTE

**DR. SHRINIWAS DHURE
(DIRECTOR)**

Dear Friends,

It gives me a sense of pride and immense pleasure to endorse the work done by the Placement Cell of SIMSREE. The perseverant efforts of the cell enable the students to be industry-ready professionals and fortify their corporate interface. The various workshops, seminars, guest lectures by eminent industrialists, and job fairs that are conducted by the cell enable the students to develop the right skill set to enhance their employability index. Due to evolutionary changes in the corporate world, there has been an exemplary shift in the recruiting policies of the industry. Hence it's the need of the hour to create a talent pool of students by augmenting their expertise and grooming them as per the industry requirement. The SIMSREE Placement Cell creates a liaison between the student and the industry by inviting reputed corporate recruiters for campus interviews. Over the years we have achieved an exceptional placement record with the partaking of prominent organizations with premier pay packages. An attitude of gratitude towards various recruiting organizations for their constant support to us. We are very delighted to present students equipped with abilities and zeal who are comprehensively primed to maintain the bequest of SIMSREE.

Warm Greetings of the Season!

EXPERIENCE BACKGROUND

PRE-MBA WORK EXPERIENCE

KEY HIGHLIGHTS

At SIMSREE, our strong culture of experiential academic learning combined with practical corporate insights makes us a top choice for recruiters, even in challenging times.

This year, we welcomed a diverse set of companies, including first-time recruiters and startups like Britannia, CareEdge, Toshniwal Equity Services Pvt. Ltd., and ValueAdd Research and Analytics Solutions reflecting our growing brand value.

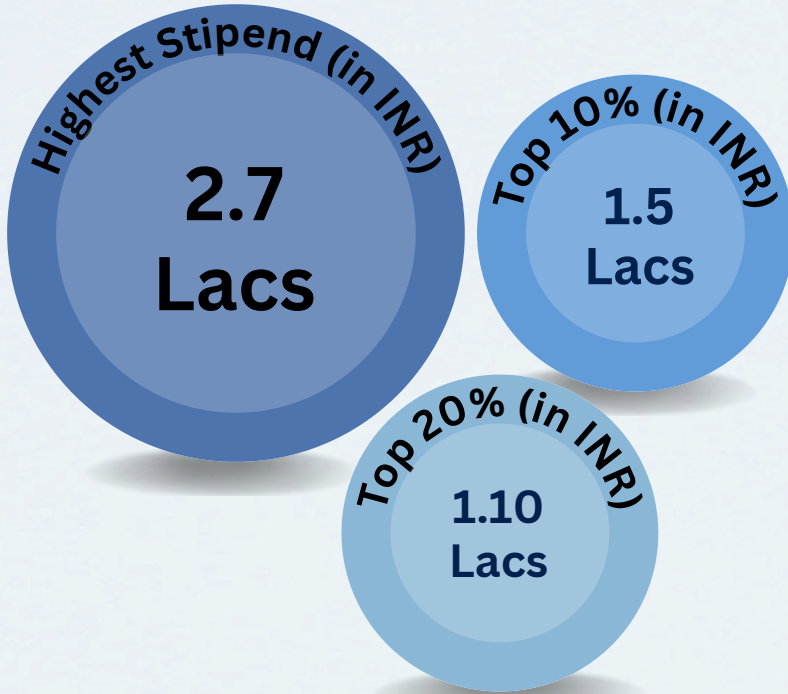

Prestigious firms such as Deloitte, ION Group, Jio Creative Labs, NVS Brokerage Pvt. Ltd., and Piramal Group visited our campus, affirming SIMSREE as their preferred hiring ground.

Regular recruiters like Barclays, CRISIL, GEP, HDFC Bank, ICICI Bank, and Morgan Stanley continued their participation, showcasing their enduring confidence in SIMSREE and our students.

Students gained hands-on experience through live projects with companies such as COTAAP, Unnati Associates, and Zillionite, preparing them to tackle real-world challenges. Guest lectures by industry leaders from Anrontt, Barclays, and WTW provided our students with valuable insights into various topics, enriching their learning experience.

We are committed to sustaining this momentum in the upcoming placement season. We extend our sincere gratitude to everyone involved in the summer placement process, especially under the leadership of our Director, Dr. Shriniwas Dhure.

The Marketing domain saw remarkable involvement from the industry, offering a plethora of roles that highlighted the sector's dynamic and innovative environment. Students could explore profiles such as Business Development, Marketing Strategy, Business Expansion Strategy, Corporate Market Research, Business Analyst, Customer Relationship Management, Data Analytics, Digital Marketing, Market Research, Social Media & Content Strategy, Product Development and Product Management.

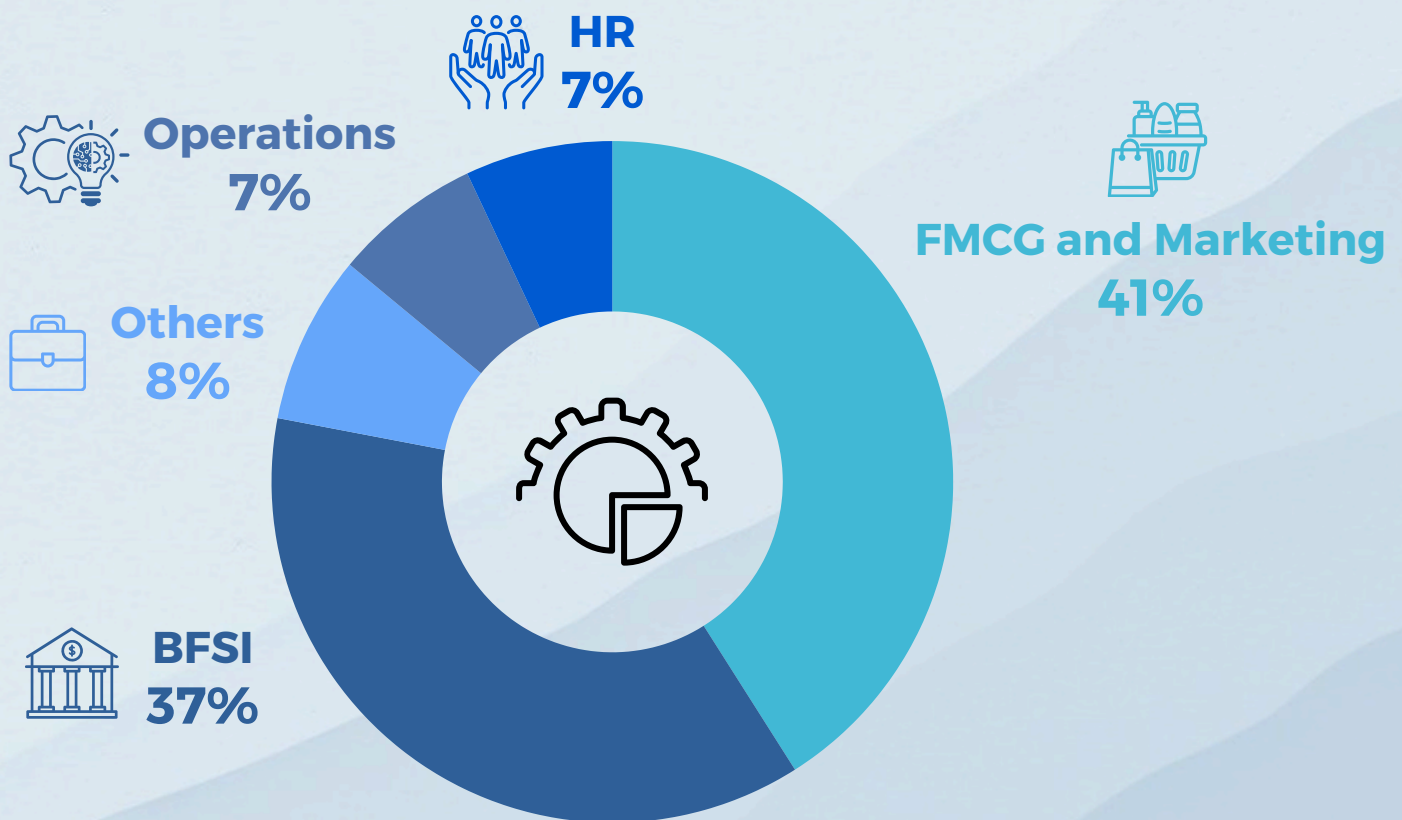

HR & OPERATIONS

In the HR and Operations domain, the roles offered emphasized the importance of people management and operational efficiency. Profiles included Talent Management, HR Analytics, HR Strategy, Operations Executive, and Supply Chain Analytics. Other notable roles such as Consultant, Project Management, Legal & Operational Risk, Information Security, GAP Analysis Executive, Client Management, and Regulatory Compliance were also presented, highlighting the sector's diverse requirements and the critical nature of support functions in business operations.

SECTOR-WISE BREAKUP

This year witnessed a significant expansion in the variety of roles offered to students, reflecting the evolving demands of various industries. The diverse range of opportunities provided students with the chance to delve into specialized fields, thereby enhancing their career prospects. The roles spanned across key domains such as Finance, Marketing, HR, and Operations. Each domain presented a unique set of profiles that catered to different skill sets and career aspirations, showcasing the industry's commitment to nurturing future leaders and experts.

GUEST LECTURES

Guest lectures at SIMSREE are essential for forging strong relationships with reputable organizations and offering students a deep understanding of various corporate sectors. These sessions provide valuable insights into industries like investment banking, insurance, and human resource management.

Notable guest lectures at SIMSREE included a session by **Anrontt** on Human Resource Management, which covered essential HR qualities, key functions, role hierarchy, and career growth within organizations. **Barclays** presented on "Careers in Market," focusing on equity, derivatives, and debt capital markets globally, highlighting the skills needed to excel in financial sectors. **Willis Towers Watson (WTW)** discussed strategies for career growth, transitioning from college to corporate, career development, building a professional image, and personal growth.

These lectures enhance the academic curriculum and equip students with practical knowledge and industry-specific skills, preparing them for successful careers.
