SUMMER PLACEMENT REPORT

Batch
2022 - 2024

Overview

The Sydenham Institute of Management Studies, Research, and Entrepreneurship Education's (SIMSREE) summer placement season for the 2022 - 2024 class met all of the expectations set by the institute during the previous three decades. A summer internship is a crucial component of any B-School curriculum since it lays the groundwork for a management student's comprehensive understanding of business practices and the corporate world.

The first-year students at SIMSREE were presented with a variety of job opportunities from MNCs and some of the top Indian Business Houses during a stunning placement season. Despite the fact that the summer internships were completed in online as well as offline mode, SIMSREE's performance was better than it was during the previous academic year. Companies from a variety of industries, including BFSI, Advertising, FMCG, Consulting, Pharma, IT, and more, offered summer projects to the class of 2022 - 2024.

This achievement is made possible by our faculty's continued faith in the field and the high caliber of perceptive knowledge they communicate to their students, both of which elevate them above their contemporaries. It also demonstrates SIMSREE's exceptional talent pool and level of excellence.

Director's Note

Dr. Shrinivas Dhure (Director)

Dear Friends,

It gives me a sense of pride and immense pleasure to endorse the work done by the Placement Cell of SIMSREE. The perseverant efforts of the cell enable the students to be industry-ready professionals and fortify their corporate interface.

The various workshops, seminars, guest lectures by eminent industrialists and job fairs that are by the cell enable the students to develop the right skill set to enhance their employability index. Due to evolutionary changes in the corporate world, there has been an exemplary shift in the recruiting policies of the industry. Hence it's the need of the hour to create a talent pool of students by augmenting their expertise and grooming them as per the industry requirement.

The SIMSREE Placement Cell creates a liaison between the student and the industry by inviting reputed corporate recruiters for campus interviews. Over the years we have achieved an exceptional placement record with the partaking of prominent organizations with premier pay packages.

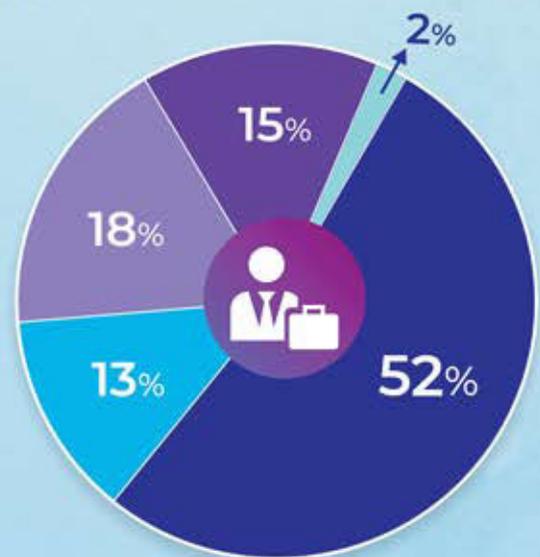

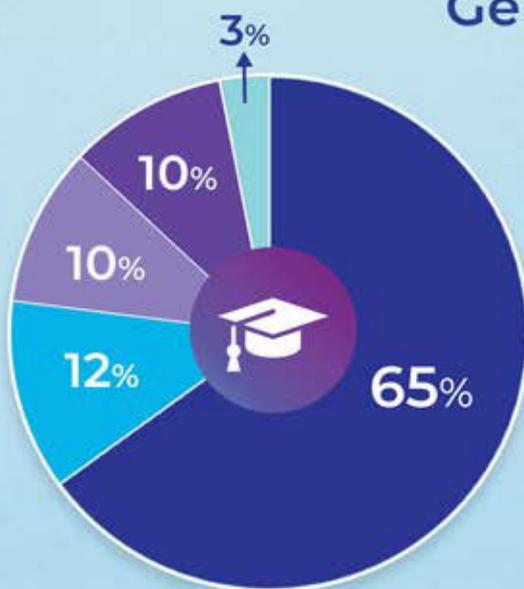

An attitude of gratitude towards various recruiting organizations for their constant support to us. We are very delighted to present students equipped with abilities and zeal who are comprehensively primed to maintain the bequest of SIMSREE.

Warm Greetings of the Season!

Batch Profile

By being the preferred institution of the best talent pool nationwide, SIMSREE has maintained its status as one of the top B-Schools in the country. The 2022 - 2024 batch includes both recent graduates with job experience ranging from less than one year to more than four years in reputable firms, as well as students with good academic backgrounds from nationally renowned universities.

On the other side, the majority of the students had technical backgrounds, and our educational diversity was weighted towards engineering. We also have students from a wide range of academic disciplines, such as commerce, management, and general science.

Work Experience

Key Highlights

A strong culture of experiential academic learning with practical insights from the corporate world makes SIMSREE one of the most sought-after destinations for recruiters. Despite a challenging macro environment for hiring, this year saw participation from a diverse set of companies. A lot of first-time recruiters and budding startups like Avalon Global Research, Mahajan & Aibara Advisers LLP, Omniscience Capital, One Assist and Tapasya Envision participated in the summer placement process - evidence of the rising brand value and reputation of the institute.

Industry majors like A.P. Moller - Maersk, HDFC Bank, ICICI Bank, Jio Creative Labs, Morgan Stanley, Metrix Lab, Madison World, NVS Brokerage Pvt. Ltd., Piramal Group, Runtime Solutions visited the campus thus cementing the belief in SIMSREE as their preferred destination to hire their emerging leaders.

Participation of regular recruiters like Aditya Birla Sun Life Insurance Company Ltd., Barclays, Citicorp, CRISIL, GEP, and Marsh Mclennan stands as a testimony to the ever-growing confidence and admiration corporates show in SIMSREE and its students.

Students also got an opportunity to work on various live projects, thus providing them with hands-on experience to deal with real-time situations and challenges. Firms like Crispldea, Maya & Mosha and Zillionite offered live projects to the students of SIMSREE.

We are determined to continue with the same momentum in the upcoming placement season as well. We wish to express our sincere gratitude to everyone involved in the summer placement process under the leadership and guidance of our Director, Dr. Shriniwas Dhure.
